### Learn Japanese at Hokkaido Japanese Language Academy

The school is located in the heart of Sapporo city. In addition  
to learning Japanese, students will be able to communicate naturally  
through a curriculum that focuses on hands-on experiences.  
This is achieved through classroom lessons and various activities.  
Furthermore, Hokkaido offers beautiful nature and a unique  
food culture that can only be experienced in Hokkaido.

### Application Requirements

- Must be at least 15 years old  
(If the applicant does not meet the age  
requirement, please consult with our staff).
- Japanese language skills are not required.
- Must be in good physical and mental health,  
and able to take care of oneself.
- Must be willing to learn, adapt to new  
environments, and participate in group  
activities.
- Must be able to follow the rules and attend  
classes and activities throughout the 4-week  
program.
